Dear Parent/Carer,

As a school, we are keen to support you and your son/daughter as they progress through their education, through the Broad General Education (S1-S3), The Senior Phase (S4-S6) and on towards a positive destination. I, therefore, write to invite you to an Information Evening on Wednesday, 25 January 2017 at 6.30 pm.

This presentation will include an overview of recent changes in the Scottish Education system, an outline of how our curriculum supports progression and the wider opportunities that are available. You will hear from members of our Senior Leadership Team and also reflections from senior students who have been through the process. This presentation should last no more than 45 minutes.

If you are unable to join us, you may find the following websites of use as a point of reference:-
