

# LEARNING AND TEACHING...

## The Expectations...

### At the beginning of each lesson...

Pupils and teachers should arrive on time and the teacher should welcome pupils into the classroom/ area.

Pupils should take off non uniform items and take out any required equipment (e.g. planner/ pencil case/ subject jotters) ready to start the lesson

Learning intentions and success criteria should be shared with the pupils verbally and visually (when practicable)

Clear instructions and expectations should be given by the teacher.

Pupils should be encouraged to achieve their best every period.
