Parent/Carer of Inverurie Academy Pupils

Dear Parent/Carer

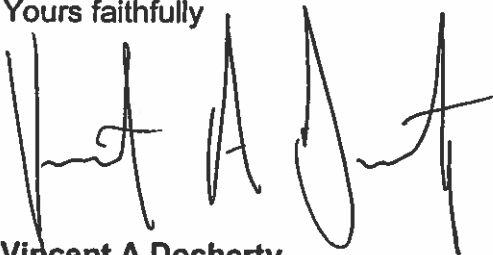

I write to reinforce the previous information given to you regarding the leadership within Inverurie Academy.

As you are aware, Mr Graeme Cowie is currently involved in an Authority investigation and will remain suspended until this process is concluded. During this period the school will be led by the Senior Leadership Team overseen by Mr Ian Parkin (Head Teacher, School Improvement Officer) supported by Mrs Fiona Cruickshanks (Quality Improvement Officer).

Please be assured that we are working to bring this matter to an acceptable conclusion for all pupils, parents and staff and will update with any relevant information as soon as we have it.

Thanks you for your continued support.

Yours faithfully

Vincent A Docherty
