- **YASS Course:** - After today's Assembly all S6 pupils who are studying a YASS course should meet with Mr Hepburn in the Guidance base. Full attendance is required. **Mr Hepburn**

- **S6 Timetables/classes/coursework:** - It has been brought to my attention that a number of S6 pupils have missed timetabled classes in order to go to other subjects to complete work to meet coursework deadlines. This is not acceptable. I have spoken to pupils identified re this and will issue sanctions for any further instances which come to light. Your teachers are currently trying to ensure you have covered all content and exam skills required to support you to achieve your potential in the final exams, and it is therefore important that you are in class. Please ensure that you are utilising your study/free time to meet coursework deadlines. If you are having difficulty meeting any deadlines, or are becoming anxious about coursework or exams, please seek support from your class teachers, PT Guidance or myself rather than miss classes. Thank you.
