- **Assessment Period Information:-** Monday, 16 January 2017 – Friday, 27 January 2017 is the Assessment Period for our S4-6 pupils sitting their preliminary assessments for their National Qualifications. It is important that all pupils are considerate to those participating in assessments during this time. Please take heed of all notices up around the Assembly Hall and other rooms asking you to be quiet or not enter that area/corridor during these two weeks. If the barriers are up in front of the hall, or in either corridor heading to the hall, you must not use the main entrance or pass that way, and should use the other entrances/exits unless you are going to reception. Please bear in mind that many of the assessments also go through interval and lunchtime, so these instructions will also apply at these times.

Pupils sitting assessments can check any information on the notice board beside Barra or see me if you have any queries.

I would also like to take this opportunity to wish all pupils doing assessments every success in them.
