- **Assessment Period Information:-** Monday, 16 January 2017 – Friday, 27 January 2017 is the Assessment Period for our S4-6 pupils sitting their preliminary assessments for their National Qualifications. It is important that all pupils are considerate to those participating in assessments during this time. Please take heed of all notices up around the Assembly Hall and other rooms asking you to be quiet or not enter that area/corridor during these two weeks. If the barriers are up in front of the hall, or in either corridor heading to the hall, you must not use the main entrance or pass that way, and should use the other entrances/exits unless you are going to reception. Please bear in mind that many of the assessments also go through interval and lunchtime, so these instructions will also apply at these times.

Pupils sitting assessments can check any information on the notice board beside Barra or see me if you have any queries.

I would also like to take this opportunity to wish all pupils doing assessments every success in them.

**Mrs Fraser**

- **Wider Achievement:-** Have you had any recent success in sport, music, drama, science, volunteering etc? Please remember to fill out wider achievement slips for any recent successes you have had as we would love to hear about it! Your achievements can be in ALL school extra curricular activities or within the wider community. Please fill out the slips and pass on to your registration teacher or Miss Rapley. **Miss Rapley**
- **Library Lunchtime Opening Times:-** During the assessment period the library will be open at lunchtime on Tuesday and Wednesday for pupils in S4 – S6 for study only. Monday and Friday opening will continue for all other pupils. **Library Staff**
- **Celtacad:-** There is a Celtacad rehearsal on Monday in Room 35 at 1.50 pm. Full attendance please. **Mrs Tierney**

- **Tapadh Leat:-** Did you know that scientists have begun to chart a course of research and detailed studies, documenting the social, physical and psychological benefits of gratitude? They're finding that people who practise gratitude consistently report a host of benefits:-
  - Stronger immune systems and lower blood pressure;
  - Higher levels of positive emotions;
  - More joy, optimism, and happiness;
  - Acting with more generosity and compassion.

On Wednesday, 25 January 2017 a new and exciting group are meeting to be a part of the experiment. Interested? Then come along to the first meeting of Tapadh leat on Wednesday, 25 January 2017, Room 33, 12.30 pm (bring your lunch). **Miss Gollop**

- **Inverurie Community Council Burns Night Event:-** Inverurie Community Council are hosting a Scots Night on Friday, 27 January 2017.
