**ALL YEARS**

**NO ASSEMBLIES THIS WEEK**

**ALL YEARS**

- **SQA Examination Period:** - The SQA examination period starts on Tuesday 2<sup>nd</sup> May and runs until Friday 2<sup>nd</sup> June. Please ensure that you are quiet when travelling around the building and respect signs and barriers asking you to take alternative routes. In particular, please refrain from using the main entrance/ foyer corridor as most exams will take place in the hall. Please also note that some SQA examinations run on beyond the school day. Please bear this in mind when leaving your last class each day, and continue to comply with the signs and barriers asking you to be quiet or take alternative routes. Thank you. **Mrs Fraser**
- **Banter Club:** - Tuesday lunchtimes come to Room 46 for lots of fun! Snacks and games every week. Bring your lunch **Suzie Sherriffs**
- **Fit for Girls:** – This week we are doing Table Tennis with a pro coach. Meet at the PE hall as usual! **Miss Walker**
- **Found Key:** - Boomerang keyring found to claim please come to reception. **Admin**
- **Nesting Birds:** - Many of you will have seen that all three oystercatcher eggs hatched recently and that there are three little chicks running about in the quad. As requested before, please ensure that you give these birds a bit of space and stay out of the coned-off area. This will allow the adult oystercatchers to successfully protect and feed the chicks until they can fly. Many thanks. **Mr Shepherd**
- **Schools Gratitude Week:** - Friday 19th May is Schools Gratitude Day. Tapadh Leat would like to encourage everyone to participate in raising the school up in a show of gratitude. All you have to do is collect a balloon template from your register teacher, the library or the office and write down the people, thing or things you are thankful for. It could be something or someone in school, your local community or life in general. Give your balloon to your register teacher or place it in one of the gratitude drop boxes which can be found in the library, at reception and in room 33. These balloons, once filled, will be added to the school display in the science corridor, and as they fill up, the model in reception will rise. (Huge thanks to Miss Bradley for the model!) Express your gratitude today and help us to raise the school with Tapadh Leat! **Miss Gollop**
