ALL YEARS

- **Public Library:** - We are aware that a number of students like to use the facilities at the public library at interval, lunchtime and at the end of the school day. Please be aware, that our expectations of you in terms of behaviour and conduct are the same as they are in school. Unfortunately, some pupils have not been meeting these expectations in recent weeks, and complaints have been received from members of the library team and members of the public. Those involved are being identified and sanctions will follow as appropriate. Please do not let your conduct let you down. Please do ensure you use the facilities quietly, and leave them tidy. If equipment is accidentally damaged, please let the staff know. If equipment is deliberately damaged, you will be expected to pay for repairs and your parents/carers or the police may be notified. **Ms Lynch**
- **Fit for Girls:** – This week we will be outside on the portable bike track with coaching from a British Cycling Coach – remember to wear leggings and bring water! **Miss Walker**
- **Rock Challenge Photos:** - Please could any member of the Rock Challenge team who wishes to purchase a photo please come to reception for an order form. **Admin**
- **Wider Achievement:** - To help celebrate success we have a wider achievement twitter and instagram page. Please follow us and like or posts. - **English Books:** - Please could all new S5-6 students return all borrowed books to the English department as soon as possible and by no later than the end of this week. Borrowed books should be returned to your English teacher from last session. Please be aware that not returning books could mean that there are not enough copies for the new classes undertaking English this year so it is really important that you double check that you have brought everything back in. Thanks for your help! **Mrs Milne**
- **Former N5 Computing Science Pupils:** - A number of revision packs (textbooks and past papers) have yet to be returned and are required for the new class. Please ensure that all books are returned to Mrs Ogston by Friday. Thank you. **Mrs Ogston**

- **Young Enterprise Company Programme:** - Young Enterprise Company Programme allows students find out what it's really like to set up and run a business. Delivered across an academic year, young people make all the decisions about their company, from raising the initial share capital through to designing their product or service to selling directly to customers and ultimately winding up the company and paying their taxes. All this takes place with the support of a Business Adviser who brings a wealth of business knowledge and expertise to the team. If you are interested in being part of a young enterprise team in your 6th year please attend a short meeting in the assemble hall at 12.50pm on Friday 9th of June. **Mr Maciver**
