- **End of Term Dress-Down Day:** - There will be an end of term 'dress-down' day on Friday 30th June for charity. The S6 Charities Committee elected to continue our annual support for our link school in Java, Indonesia (The Fly Free School). The theme for this dress-down is to dress in something RED and/or WHITE (the colours of the Indonesian flag). As usual, you can take part for a £1 donation to this charity. The money raised will pay for one of the teachers there for a year. If you do not wish to take part, you will be expected to be in school uniform. Please give your register teacher the £1 during this week, but by no later than on the day on Friday 30th. Many thanks and happy holidays when they come! **Mr Shepherd/Charities Committee**

- **Inverurie Academy Leaders in Sport:** - Inverurie Leaders of Sport is Inverurie Academy's extra-curricular sports leadership programme that aims to develop leadership, volunteering and coaching capacity in a select group of young people from Inverurie Academy. Spaces now exists for new Leaders in Sport and applications are now being taken.

Football volunteer- to assist with extra-curricular football at the Academy and within the Inverurie Primary Schools. Applicants should have an interest in football and either hold or be willing to obtain an SFA Coaching Qualification (funded by Active Schools)

Junior Jog Assistant- to assist with a new Junior Jog club at St Andrews School. Applicants should have an interest in running/fitness and view the opportunity to work with young people who have a disability or learning difficulties as an opportunity to learn and gain experience to assist with a future career (Care Sector/Social Work/Nursing/Education)

Fit For Girls- to assist the teacher volunteers with the running of this successful after school club. This will involve helping out on Wednesdays 4pm -5pm each Wednesday and may also involve the occasional excursion.

Active Schools Administrative Support- Whilst an interest in sport would be of benefit it is not essential as we view this as an opportunity for pupils to gain some practical experience in the administrative aspects of Active Schools events which can then be used for future employment or further education interviews.

If you feel you can offer something else then please contact Active Schools. These opportunities are open to all S4 (aged 16+) - S6 pupils (please note that preference may be given to S4-S5 pupils who are aged 16+ in relation to sustainability beyond the next school year). For more details please contact Malcolm Grant, Active Schools Lead Coordinator malcolm.grant@aberdeenshire.gov.uk
