Dear Parent/Carer

Core Values, School Uniform & Healthy Eating

At Inverurie Academy we want to ensure that we give students every chance for success. I write to update you on just some areas of school life where we are making some changes.

Core Values

The School Captains have now completed their fantastic work in consulting upon a new set of Core Values for Inverurie Academy. After twenty values workshops and over five hundred questionnaire returns, the new Core Values for Inverurie Academy are:-

Ambition Inclusion Integrity Respect

As has been highlighted, it is relatively easy to arrive at a set of words, but much harder to work together to ensure that these Core Values are embedded into the life of the school. The new School Captains, when appointed, will be working with the school to ensure that these Core Values become part of everything we do.

A big thank you to our outgoing School Captains for the work involved in getting to this stage.

Healthy Eating

Staff in schools across Scotland are asked to have a focus on core areas of Literacy, Numeracy and Health & Wellbeing. I would like to highlight one aspect of Health & Wellbeing, and that is the healthy eating choices that students make during the course of the day. There are established benefits of a healthy lifestyle on education and we have a School Canteen that offers a range of healthy eating choices. We would encourage students to make use of the services available from the canteen as a way to make healthy eating choices and access canteen dining areas and facilities.

School Uniform S1- S4

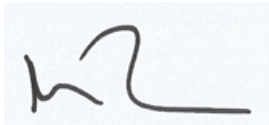

Mr Paterson, Acting DHT, is currently leading the process of refreshing the School Uniform to provide an Inverurie Academy Uniform for the 21st Century. Over the next year, he will be involving students, staff and parents in consulting on what our new School Uniform should look like. Mr Paterson is keen to engage interested parties to become involved in this process – please do look out for the opportunities which will be publicised through bulletins and parental communication.

However, as a first step while this process is ongoing we will be looking to tighten up School Uniform among S1-4 pupils. Please find attached:-

- An updated Agreed School Uniform Page. Please note that this details a change in expectations for S5/S6 from August 2017.
- A list of School Uniform expectations for all at Inverurie Academy. Please note that it will be our expectation particularly that non-school jumpers will not be permitted in classes or corridors and that outer-wear should be removed as students enter the school building.

How we look as a school is vitally important in helping our pupils and staff live up to our core values of Ambition, Inclusion, Integrity and Respect. I would like to thank you in advance for your support.

Yours faithfully

A handwritten signature in black ink, appearing to be 'M Jones', on a light blue background.
