Active Schools are still looking to recruit pupils aged 16+ into the Leaders in Sport for the following roles:

Junior Jog Assistant - to assist with a new Junior Jog club at St Andrews School. Applicants should have an interest in running/fitness and view the opportunity to work with young people who have a disability or learning difficulties as an opportunity to learn and gain experience to assist with a future career (Care Sector/Social Work/Nursing/Education)

Active Schools Administrative Support - Whilst an interest in sport would be of benefit it is not essential as we view this as an opportunity for pupils to gain some practical experience in the administrative aspects of Active Schools events, which can then be used for future employment or further education interviews. For more details, please contact Malcolm Grant, Active Schools Lead Coordinator malcolm.grant@aberdeenshire.gov.uk
