22 January 2018

Dear Parent / Carer

Inverurie Community Campus

Following a meeting of Aberdeenshire Council on 18 January 2018, I am delighted to let you know that preparations to establish the site for the new Community Campus will commence on 22 January 2018. Occupation of the accommodation block is expected around 31 March 2020, with the phased demolition of the former school buildings and external works expected to be completed around spring 2021. This will inevitably involve some change to practice and an initial Phase 1 Site Plan has been attached for your information. The health and safety of all students and staff will be of utmost importance throughout the duration of the construction project and there will be robust procedures in place to ensure this is achieved.

I would also like to let you know that Mr Alan Johnston (Acting Depute Head Teacher) will be the key school contact for the Inverurie Community Campus, having taken over this role from Mr Craig Paterson.

The following link details the site plans and floor plans for the new Community Campus:-

Yours faithfully

Mr M Jones
Head Teacher
