- **Social Times:-** S1 students will be permitted to leave the school building in order to access local shops and facilities at social times (break and lunchtime) from this Monday (16th September). One of our core values is respect. I have been very pleased with the way our new S1 have settled in. You have all behaved in a mature and sensible manner. I am confident that this will continue going forward. I expect you to behave in a polite and respectful manner in the community. Being down the road is a privilege not a right. I will be extremely disappointed in anyone who does not uphold the highest standards of behaviour. **Mr Paterson**

S6

- **S6 Drivers:-**S6 Drivers are reminded that they are not permitted to use staff and visitor parking i.e. car parks at Main Entrance, PE, Huts and West Church Entrance. Parking is very restricted due to the Inverurie Community Campus build. You should use the new car park on Victoria Street or on-street parking or consider alternative means of travel. There is a list in the Common Room of those who have passed their test as we may need to consider your safe journey home should the weather become inclement. Please add your name to this list when and if this applies to you.

- **S6 Timetables:-** This morning, each pupil has a new printed timetable. In light of timetable/staffing changes, you should make any amendments to this, so it is accurate. You have a minimum of five study periods (state subject/location). You can have up to five 'free' periods. Peer support/ community volunteering/work experience/college/YASS/ScotBac should also be identified. Your attendance is based upon subjects printed on these timetables. If your timetable remains the same as the one you handed in prior to the holidays, please sign and return the new printout. Any
  questions please ask Dr Drysdale. These are due back to your guidance teacher via registration by Friday 20th September. **Dr Drysdale**
