

INVERURIE COMMUNITY CAMPUS – OPENING OF PERMANENT BUS PARK

As the project nears completion, we are pleased to confirm that the permanent bus park, within the Campus grounds, is now complete and ready to become operational.

This will involve the opening the permanent access road into the Campus site, and the closure of the temporary access road which will be resurfaced before re-opening to provide dedicated access to the service yard and deliveries area.

The opening of the permanent bus park will also allow the contractor to remodel the current temporary bus park in Victoria Park to deliver the final car parking spaces.

The current bus park will start to be fenced off from Thursday 02nd June, while the entrance point to the main Campus will be changed early on the morning of Monday 06th June, ready for the school returning after the holiday weekend on the 7th June.

Vehicular and pedestrian access will then be as shown on the drawings below.
