- As you may be aware, there have been a number of incidents of vandalism against your school building in recent months. Police Scotland have been involved on each occasion, and have asked that all pupils are made aware that anyone deemed to be actively and/or repeatedly targeting the school building, members of staff or other property will be dealt with robustly – by the police – regardless of whether this is within school time or after school hours. The consequences of being involved with the police for this type of action are serious and long lasting. **SLT**

Inverurie Leaders of Sport is a new programme that aims to develop leadership, volunteering and coaching capacity in a select group of young people from Inverurie Academy. This initiative is an active partnership between Active Schools Inverurie and Inverurie Academy. The programme aims to recruit five boys and five girls to form the initial Leaders in Sport Group. Volunteering is the "crux" of the Inverurie Leaders in Sport experience, as you gain access to working with various peer groups, community groups and other volunteers as you engage, assist and communicate with the wider community in Inverurie.

This opportunity is open to all S4 (aged 16+) - S6 pupils (please note that preference may be given to S4-S5 pupils in relation to sustainability beyond this school year). For more details please contact Malcolm Grant, Active Schools Lead Co-ordinator malcolm.grant@aberdeenshire.gov.uk. Application forms will also be available at Guidance and PE along with more details being on the Health and Wellbeing Facebook page. **Mr Grant/Active Schools**
