- **Jackets and Jumpers Update:** - The following Change to the rule on jackets and jumpers in the school building will take effect from Monday. Following discussion, it has been decided that pupils should be allowed to put jackets and jumpers on to exit the building when the bell goes to signal the end of the school day. They, however, are not allowed to do this at lunch and break and at these times the policy of jackets and jumpers off in the building remains in force.
