8th June 2020

Terms & Conditions

This plan is a starting point only and is subject to the following:-

-  Scottish Government advice about the status of efforts to control COVID-19 in Scotland.
-  The safety of students, staff and families.
-  Further advice from Aberdeenshire Council.
-  The availability and completion of the Inverurie Community Campus.
-  Ongoing discussions with representative groups within the school – Staff Team, Union Representatives, Learning & Teaching Project Group, Extended Leadership and the Sounding Board recently convened to discuss this phased return to school.
-  ALL ASPECTS ARE THEREFORE SUBJECT TO CHANGE.

Some of the detail...

-  Students will be split into 12 groups (A-F for those in S1-S3, 1 – 6 for those in S4-S6).
-  You will be informed which young people are in each group before the summer break.
-  If we are advised that distancing can be relaxed, we hope to be able to increase the time that young people attend (e.g. 1 week in 2).
-  The situation is changeable, so there is also a risk that we may need to decrease the time that young people attend (perhaps at short notice).
-  We will set up a system where we can send information to parents/carers of each group efficiently.
-  We realise that all of this makes planning hard – at your end, and at ours.
-  We will give as much notice of any change that it is possible to provide.

Challenges

-  Staff – we will be operating as if every day is a snow day – we can't be sure who will be with us.
-  Transport – we expect that the number of spaces available on school transport will be reduced, and so for a period of time families may have to make their own arrangements.
-  Equity – some vulnerable students may need an alternative arrangement.
-  Community Campus – we are still awaiting confirmation of the impact of the lockdown on completion.

What will learning look like?

BGE (S1-S3)

-  Physical classrooms 1/3 of capacity
-  Classes as usual* one week in three
-  Virtual Learning (S1/2) relying on Education Scotland materials.
-  Feedback may often be provided in physical week.
-  Greater use of Google Meets*
-  Implementation of *Google Guardian*
